A WORD TO THE TRADE

We do not sell cheap groceries, but we do sell groceries
cheap. In other words, while our prices are away down, our
goods are away up in quality. That is the reason why
our trade increases every month we are in business. We
couldn't hold our trade on inferior goods, and we wouldn't
sell them to you. All we ask is for you to come to our
store, get our prices, look at the goods, and investigate
thoroughly every order, comparing prices with any you
can get. We ask your trade on this basis. Come and
see us, and it will not be our fault if you are not entire-
ly satisfied.

BURTON IS A FREE MAN ALLIES BADLY WORSTED

Former Senator From the Sun-
flower State

Forces of Honduras and Salva-
dor Defeated.

RELEASED FROM PRISON. MANY SLAIN AND INJURED

Has No Vengeance to Wreak on Any
Person, Declares He Has Committed
No Crime and in Paper Will Publish
in Serial Form a Statement.

Ironton, Mo., March 22.—Joseph
Ralph Burton, who until his convic-
tion in the Federal court was a United
States senator from Kansas, has been
released from the county jail here,
having completed his sentence of six
months, imposed when he was found
guilty of violating a Federal statute by
appearing before a governmental de-
partment as a paid representative of
an alleged "get-rich-quick" concern at
St. Louis. Burton entered the jail on
Oct. 22, 1906. His release is due to
the law which provides for deduction
from the sentence for good behavior.
Burton's sentence also included a fine
of \$500, and the statute under which
he was convicted debars him from
ever holding an office of trust or re-
muneration under the Federal govern-

ment. The fine, which has not been
paid, will be held over him as a civil
judgment. On leaving the jail Burton
gave out the following signed state-
ment:

"This is the first signed statement I
have made for publication since the
day I was indicted. The impression
has gone out that I propose to live for
revenge. This is a mistake. I have
no such purpose. The wrongs done to
me are the wrongs of others. Venge-
ance is thought to be noble only by
the ignoble. 'Vengeance is mine, saith
the Lord,' is the philosophy to which
I have always subscribed in the past and
to which I shall adhere in the future.
I am a thousand times more solicitous
that I shall not wrong another than I
am concerned about the wrongs oth-
ers have done or may do to me. In
saying this, however, I do not pretend
to have more than two cheeks, nor do
I think that it is wrong to rebuke hy-
pocrisy. I will return to my home at
Abilene brimful of life and hope. Only
my body has been in jail. My mind
has been at all times free, sustained
with the knowledge that I am inno-
cent. I shall take up my life's work
with 'malice toward none and charity
for all.' I shall talk and write with pen
and tongue; I shall stand for policies
and principles that I believe will make
for the general good and oppose such
as I think are bad. It is bad policies
that make bad men and bad govern-
ment; while true policies make good
men and good government. My fight
shall be against measures rather than
against men.

"I shall have charge of a newspa-
per, unless there is a fraud order
issued against it before I can arrange
for its publication. It will reflect my
ideas. It is to be one of the agencies
in the work I hope to do. I shall talk
when I am not writing, and shall write
when I am not talking. The history of
my case, already prepared, will
appear in serial form—first in the pa-
per. The story will not be sensation-
al. It will be truthful. Interwoven
with the history and necessary part of
it will be a discussion of certain con-
ditions in our legislative, administra-
tive and judicial government that I
think have escaped the attention of
the average citizen.

"I will not now go further into my
case nor my plans and purposes. My
first statement will be made on Satur-
day evening to my home people. Then
there will be more to follow."

"SKIDDOW" RACE.

Twenty-Three Horses Started in the
Grand National Steeplechase.

Liverpool, March 22.—The grand na-
tional steeplechase of 3,000 sovereigns
for five-year-olds and upward, about
four miles and 856 yards, was run at
the Liverpool spring meeting and won
by Stanley Howard's Eremon. Tom
West was second and Pat Landet
third. Twenty-three horses started.

Hot at St. Louis.

St. Louis, March 22.—The maximum
temperature, 90 degrees, at 3 o'clock
Thursday, is the highest ever record-
ed since the establishment of the lo-
cal weather bureau in 1836, during
March.

Managua, March 22.—A dispatch re-
ceived here from the front, says: "The
Hondurean and Salvadorean army
numbering over 5,000, attacked the
Nicaraguan positions at Portillos de
Namasique and after three days and
two nights of fighting the Hondureans
and Salvadoreans were completely de-
feated, leaving hundreds of dead and
wounded on the field.

"The Nicaraguans also captured
many prisoners, among them several
high officers, besides 2,000 rifles and
great quantities of all kinds of war
munitions.

"The defeated Salvadorean officers
included General Presa, General Av-
ilar and General Colacho. The Hondu-
rean commander defeated was General
Liconla. The Nicaraguans lost many
men wounded and killed.

"General Lopez Garcia and Colonel
Pedro Nolasco have been defeated at
Maralta by the Hondurean revolution-
ary and Nicaraguan forces. Many
hundred soldiers and a number of
rifles with ammunition was captured
by allied troops. Le Celba, a Hondu-
rean port on the Atlantic has been
captured by the Nicaraguan forces."

Marines Landed.

Washington, March 22.—Marines
have been landed at Trullio, Celba
and Puerto Cortez, Honduras, from the
American gunboat Marietta to protect
the interests of the citizens of the
United States.

EIGHT AFFIDAVITS.

Both Sides Given More Time to File
Their Papers.

New York, March 22.—District At-
torney Jerome presented to Justice
Fitzgerald eight affidavits in support
of the suggestion he made in the case
of Harry K. Thaw, that the defendant
is now in such a state of lunacy or in-
sanity as to be incapable of under-
standing the proceedings against him
or making his defense. The court was
in session for less than an hour. Mr.
Delmas, for the defense, stated that
their answer to the district attorney's
proposition was not ready. Justice
Fitzgerald allowed both sides until
Saturday afternoon at 2 o'clock to file
such affidavits as they desire with the
clerk of the court. There will be no
further hearing in the matter of the
appointment of a lunacy commission
unless Justice Fitzgerald so directs
after considering such affidavits and
exhibits as are to be offered. Neither
the jury nor Thaw was in court.

ROBBERY A MYSTERY.

Seven Paintings, Silverware and Other
Valuables Have Been Taken.

New York, March 22.—The robbery
of the summer home of Henry Seigel
at Mamaroneck has provoked a mys-
tery which the police are unable to
solve.

Several paintings, valued at thou-
sands of dollars, bric-a-brac, collected
at great cost in Europe, and consid-
erable silverware were stolen. A gar-
dener and assistant were the only per-
sons about the residence. They claim
they heard no unusual noises during
the night. Entrance was gained
through a front window. The house
was literally ransacked, drawers being
searched, cupboards being opened,
rings taken, solid silver purloined,
while plated matter was bent and
thrown aside and paintings cut from
their frames.

MUCH JEWELRY STOLEN.

Eighteen Thousand Dollars' Worth Is
Taken From Morgan's Home.

New York, March 22.—Eighteen
thousand dollars' worth of jewelry
was stolen from the home of Charles
Morgan, son of the founder of the
Morgan steamship lines, at Orange,
N. J. Mrs. Morgan found a drawer in
her dressing table disturbed, and in-
vestigation showed that her jewel bag
was missing. It contained a diamond
bracelet valued at \$4,000, two neck-
laces valued at \$2,000, and many other
pieces of jewelry.

TRULY TORRID.

All March Temperature Records Are
Broken at El Paso.

El Paso, March 22.—All March tem-
perature records have been broken
here this week. The United States
weather bureau gives Thursday's tem-
perature at 93. The humidity was
practically zero.

Warm Weather in Kansas.

Topeka, March 22.—Abnormally hot
weather prevailed in Kansas Thurs-
day. The maximum temperature at
Topeka was 91, but at many other
points the temperature ranged two to
four degrees higher.

There will be about 3,300,000 words
in the transcribed record of the Okla-
homa constitutional convention. It
will take most of the summer to do
the work, and the cost will approxi-
mate \$30,000.

NEW EPISCOPAL CHURCH BUILDING.

St. Andrew's Parish Will Erect a Handsome One—\$18,000 Has Been Subscribed—To Cost \$25,000 Complete.

Vestrymen of St. Andrew's Parish have had in hand for some weeks a movement to erect on the site of the present church building, which was built in 1874, a handsome new church edifice. While the plans have not been fully determined upon, the building of the church is definitely settled, and the plans contemplated provide for a beautiful stone building of ecclesiastical architecture, cruciform in shape, with nave, transepts and chancel, Gothic windows and arches, open ceiling with exposed beams, high pitch roof and tower. The seating capacity will be between four and five hundred.

The interior furnishings will be very handsome and old English stained glass windows will be used. A pipe organ will also be installed. The front will be elaborate and ornate in design.

It is anticipated that the church complete will cost \$25,000, of which amount \$18,000 was raised in ten days exclusively within the parish. The matter of building will not be pressed hurriedly, but will now be carried steadily forward until consummated.

Rev. J. Wendel Davis, the rector, contemplates going abroad in April, and in the event his plans are carried out, he will make a study of the interior furnishings of churches while in England.

SPRING MILLINERY OPENING.

Event a Marked Success at Wagner & Brandon's—Large Crowds and Sales Highly Satisfactory.

The first formal millinery opening of the new season attracted the ladies of Bryan and vicinity to the parlors of Wagner & Brandon in large numbers yesterday. An ideal spring morning, with all other conditions equally favorable, brought the ladies to the department at an early hour and they were rewarded with an exceptionally complete and beautiful display of fashionable creations in tailored and dress hats.

The department was thronged throughout the day and the genuineness of the appreciation of the ladies was manifested in the very large sales which were made. The most accepted dress hats are in white and black with plumes and flowers. Leghorns are popular for misses' dress hats. Dutch blues, maize and brown are popular shades. The mushroom effects are the most sought after in tailored hats, which have trimmings of wheat, grasses, and fruits. Ribbons, maline and flowers are the trimmings which characterize the season. The department is in charge of Miss Elder, assisted by Miss Lena Wetter, and both ladies are immensely pleased by the appreciation of their work manifested by the ladies.

BRYAN MAY HAVE CHAUTAUQUA.

Mr. Carl C. Corbett of Dallas is in the city representing the State Chautauqua Association, and called on the Eagle yesterday afternoon. Mr. Corbett informs us that the association is planning to hold one hundred chautauquas in the leading towns and cities of the state between May 1 and September 31. Because of this they are able to make a very liberal proposition to any town wanting one.

The proposition, as stated to the Eagle, is in brief that we have a seven days' chautauqua here at some time to be determined later, within the interval above indicated, bringing to Bryan the complete list of talent engaged by the association. Among the attractions included are the following: The Howard Payne Quartette of Brownwood; Count Sobieski and Edna Nash Thompson; Chas. F. Stalker, the cartoonist and chalk talker; The Ben Hur Entertainers; Miss Frank Miller of Boston, the costume lecturer; and Dr. E. G. Shouse of Kansas. Mr. Corbett states that

And in addition you will have a shoe which for materials and workmanship could not be bettered at ANY price.

Why not give us the privilege of demonstrating the advantages of the KING QUALITY Shoe? Prices

\$3.50, \$4.00 and \$5.00

CAR SPLIT IN TWO.

Two Persons Fatally Injured and Nine Girls More or Less Hurt.

Detroit, March 22.—Two people were fatally injured and nine others, all girls, were more or less seriously hurt when a southbound Fourteenth avenue street car was struck at the Fourteenth avenue crossing by a Michigan Central railway train. The fatally injured are James C. Smith, aged fifty-five years, 118 McGraw avenue, and Miss Charlotte Martin of Mason City, Mich. There were twenty-two passengers on the car, the majority of them girls on their way to business. The car stopped at the railroad crossing and the conductor ran ahead as usual, but apparently did not see the approaching train. The view of the track is somewhat obscured by buildings. Just after passing under the gate and out on to the crossing the gateman sighted the approaching train. It struck the car, which had stopped, in the middle, splitting it in two and throwing the wreck-age fifty feet.

Our Time is Yours

Whenever You're Ready to Pick out New Suits.

WE want a chance to talk to you about your Spring clothes. We believe we can come nearer than anybody to giving you what you want in the way you want it, at the price you want to pay. Don't make up your mind about Spring wearables until we have spread before you some of the values in our new assortment. Let us slip on a few sack suits (Spring Models) new brown or neat gray effects, Boston blues, club checks, plaids, etc. Stand in front of the mirror and examine the fit and general effect and see what is becoming to you.

Let us show you why our Blue Serge suits will wear longer, keep their shape and color better than others you buy.

If you want a black suit for Sunday, better learn about our Black Thibets and soft finish worsteds that will not grow rusty or shiny. If you are a young business man or a college man, see our nobby student styles and get away from the hackneyed ordinary looking clothes.

Our clothes possess that character and style that is difficult to define, but the lack of which is quickly apparent. We have Hats, Underwear, Haberdashery and all the belongings of dress.

We show you New and Distinctive things without asking Fancy Prices for them

Consider this your store for your comfort and service. Feel at home here, see what we have to offer, hear what we have to say, and "talk back" as much as you please. This is one place where you won't get any sour looks because you don't buy. And remember, what you get here must be satisfactory: If anything is wrong we will make it right, so don't be a stranger.

NOW COMPLETE

Our Entire Stock of

New Spring Suits

For Men and Young Men

Is now ready for your inspection and a Superb Stock it is—no past seasons' showing will even compare with it, both in the immense variety of styles and the beauty of the patterns we show—every style that is correct, every pattern and fabric that is desirable.

Nearly One Thousand Spring Suits

Here to make your selection from. Just think of it, no other store between Dallas and Houston can begin to show such a vast assortment of styles, such a complete range of sizes. We are never satisfied with past successes, each season's offerings must be better than the last—and this one surpasses them all. Come in and look it over. We know you will be charmed with the styles, the fabrics and the niceties of tailoring that elevate it above all past showings and as for values we leave that for you to judge—but we know they are right.

The Most Popular Patterns This Season

The small club checks, shadow plaids and stripes in various shades of grey and the new fancy and plain blue serges. We have them in every combination of pattern and weave, in either single or double breasted styles, although the new straight front single breasted coat is the correct thing this season. The new middle well at the waterworks plant will probably be completed during the coming week. It has been sunk to a depth of 207 feet and Manager Preston informs the Eagle it passes through seventy-five feet of water-bearing sand. Driller Bigelow is at work making a twenty-four foot strainer from six-inch casing perforated thickly with 5-8-inch holes and to be covered on the outside with copper wire gauze. Mr. Preston says the well stood ninety feet in water when the drilling on it was completed, and he believes it will afford a fine water supply.

Dr. M. Francis, Profs. Carson, Marshall and Burns, Dr. Marsteller and a number of students of animal husbandry in the A. and M. College attended the Ft. Worth Fat Stock show. Dr. Francis read a paper on "The Inoculation of Imported Cattle for Texas or Tick Fever" before the Veterinary Association, which meets annually in conjunction with the Cattle Raisers' Association. Dr. Francis is enthusiastic over the exhibition of fine cattle at Ft. Worth, declaring it one of the best shows of the kind he has ever seen. It speaks volumes for the development of the cattle industry in Texas. He reports the attendance about twice as large as on former occasions of this kind.

OCCUPATION TAX.

Law Levying the Same Has Been Re-
pealed by Legislature.

Austin, March 22.—The occupation
tax law has been repealed. The senate
passed the bill finally, with a few
trivial amendments, Thursday morn-
ing; the house concurred in the morn-
ing and within an hour the governor
had signed the bill.

It was an expeditious bit of legisla-
tion, due largely to the energy and in-
fluence of a delegation of business
men who came here to boost the bill.
These were S. L. Erwin of Honey
Grove, J. W. McManus of Dallas, sec-
retary of the Retail Dealers' Hardware
association; Julian Capers of Dallas,
a director of the State Retail Grocers'
association, and J. A. Thomas and W.
H. Richardson of Austin.

As soon as it had been enrolled these
gentlemen took the bill down to the
governor. Mr. Erwin carried a foun-
tain pen, gaudy with gold bands, and
it was with this that Governor Camp-
bell signed the bill. Mr. Erwin said
he would give the pen to his grand-
daughter.

DREADFUL DEATH.

Stone Slab Falls on Boy's Neck, He
Dying in Agony.

Crawford, Tex., March 22.—While
Robert Farmer, fourteen years of age,
was hunting he ran a rabbit under a
bridge on the Waco road, three miles
east of Crawford. To get the hare he
pried up a slab sixteen feet long and
2x10 inches in size, and propped it up
to look for the game. The prop evi-
dently fell and the slab came down
on the boy's neck and held him until
life was entirely extinct. For Stephen
Anderson, a neighbor and friend, found
him dead while his body was still
warm.

There were signs of much effort to
extricate himself, his knees being skin-
ned by the efforts.

PENROSE TESTIFIES.

Accused Major Takes the Stand in His
Own Behalf.

San Antonio, March 22.—Major C.
W. Penrose, the accused in the court-
martial at Fort Sam Houston, went
on the stand. The witness told his
story of the Brownsville trouble. He
testified to the lack of ill will between
the soldiers and citizens. The feeling
on both sides was good up to the
time of the trouble. The witness told
of the happenings on the night of the
shooting and the steps taken by him-
self to prevent the clash. He said he
thought the firing was undoubtedly
done with high power rifles. His story
made a strong impression.

Major C. J. T. Clarke testified to
the general good behavior of the
negro battalion just before the dis-
charge of its members.

DOUBLY BEREAVED.

En Route to Child's Funeral, Hears of
Another's Death.

Fort Worth, March 22.—W. G. Ains-
worth of Kosse, while attending the
fat stock show, received a message
which stated that his daughter had
died. When about ready to start home
he received another message stating
that another daughter had died sud-
denly at Trent, in Taylor county, and
the funeral would be held before the
one at home. Consequently he then
left for Trent. Mr. Ainsworth is the
father of twenty-one children.

ATTENDANCE GREAT.

Largest Except One Day in the History
of the Association.

Fort Worth, March 22.—The attend-
ance Thursday at the National Feed-
ers' and Breeders' show, was said by
the management to have been the larg-
est in the history of the show except
Fort Worth day last year. The cars
on the Northern Texas Traction com-
pany's North Fort Worth lines were
crowded to their utmost capacity all
day. All trains from the west, south
and north carried extra coaches and
were crowded.

First Japanese Charter Asked.

Austin, March 22.—The secretary of
state received an application for a
charter for the Nippon Farming com-
pany of Victoria county; capital stock,
\$200,000. This is the first Japanese
corporation ever organized in Texas.

Shot Through Bowels.

Waco, March 22.—Jim Syper, a well
known citizen of Elk, a few miles north
of here, was shot through the bowels
and probably fatally wounded. Frank
Yearar was arrested.

BLOCKSOM SENT.

Ordered to Galveston to Investigate
Confession of Gray.

Galveston, March 22.—Major A. P.
Blocksom of the inspector general's
department, United States army, has
been ordered to this city by the war
department to make a full investiga-
tion of the alleged confession of a
negro soldier claiming to be Gray pub-
lished. Lieutenant Chamberlain, the
recruiting officer at Houston, the of-
ficer who branded the story as a fake
without making a full investigation, is
here also. Major Blocksom has been
closeted with Chief of Police Rowan
of Galveston.

The reporters of the Galveston News
claiming to have interviewed the ne-
gro were before the army officials.
They swear the story was not a fake
and expressed a determination to fight
the case to the last ditch.

Major Blocksom will be here several
days. He will, if necessary to ap-
prehend the negro, put the entire machin-
ery of the war department on the case.
It is believed the matter will be cleared
up within a few days and something
of national importance will probably
be forthcoming. The fact that the war
department has ordered an investiga-
tion adds much credit to the story
which has been called a fake. It is be-
lieved 90 per cent of the citizens of
this city think the facts were told just
as they happened and the negro is in
hiding, fearing the wrath of those he
has given away. Those in a position
to best understand the case believe
that since Major Blocksom came here
and expressed a willingness to make a
clear investigation the negro will give
himself up, believing the government
will completely protect him.

MESSANGER ASSAULTED.

Robbers Knock Womack In Head,
Throw Him Out and Loot Safe.

Palestine, Tex., March 22.—As train
No. 4, northbound, on the International
and Great Northern was leaving Elk-
hart, twelve miles below here, Express
Messenger Winsley Womack of the
Pacific Express company was knocked
in the head and thrown out of the car.
He was not missed from the train until
Palestine was reached and a little later
a telegram was received from him at
Elkhart stating that he had been set
upon and assaulted by robbers. The
safe in the car was open when the
train reached Palestine. About \$500
was secured.

Womack's hips and neck are badly
bruised. He made the following state-
ment: "Left Elkhart on time. Had
two express cars to work. Two ne-
groes got on between the cars. They
went into the second car, where the
safe was. I found the negroes stand-
ing on each side of the safe, cutting
me off from my gun. The negroes had
been drinking. I told them to get off
and one replied: 'Cap, we can't get
off until we reach Palestine.' I was
struck in the head with a six-shooter
and knocked unconscious. I had a dim
recollection of being dragged to the
side door. The train was running
nearly forty miles an hour. I came to
myself beside the track. I was bloody
and my shirt was torn off. I ran near-
ly a mile and heard No. 5 approaching.
I got on the track and waved her
down."

CARLOAD OF RADISHES.

Shipped From Minerva and One Hun-
dred and Five Barrels.

Cameron, Tex., March 22.—Minerva
community, about midway between
here and Rockdale, has shipped a car-
load of radishes. The car contained
105 barrels. The usual price obtained
from an acre of radishes amounts to
about \$50, but on account of dry
weather this year the yield has not
been so large. With a favorable sea-
son there would have been about 2,000
barrels shipped from that community.
This is only the second year of the ex-
perience in truck raising radishes. The
average crop, after the sowing of the
seed, is ready for market in about
twenty-eight days.

MUCH REVENUE LOST.

Two Hundred and Fifty Thousand Dol-
lars Taken From Fund.

Austin, March 22.—The repeal of the
tax on a number of occupations, passed
by both houses of the legislature,
signed by the governor and effective
Jan. 1, 1908, takes out about \$250,000
yearly from the general revenue fund.
The occupations on which the tax is
repealed are merchants, brokers and
bankers, dentists, photographers, toll
bridges, land agents, attorneys and
conveyancers, livery stables, vehicles
and wagon yards, local insurance agen-
cies, steam laundries, grain elevators,
dealers in cotton seed, cotton, wool
and hide buyers. Traveling physicians
are taxed \$50 a year.

RADETSKI PROMOTED.

General Superintendent of the Central,
East and West Line.

Houston, March 22.—An official bu-
letin has been issued announcing the
appointment of Gus Radetski, superin-
tendent of the Victoria division of the
Galveston, Harrisburg and San Antonio
railroad, to the general superintend-
ency of the Central, East and West line,
succeeding G. F. Hawks, who goes to
El Paso to become general manager of
the El Paso Southwestern railroad.
It is rumored H. F. Mayo, chief
clerk to Vice President Fay of the
Southern Pacific, Atlantic system, is
to succeed Radetski.

LEGISLATORS ARRIVE.

Guests of the Fat Stock Show at City
of Fort Worth.

Fort Worth, March 22.—A special
train over the Santa Fe arrived Friday
morning with nearly every member of
the legislative body of Texas, who are
the guests of the fat stock show. At
night they attended the cowmen's ball.
The attendance at the fat stock show
Friday was greater than before. A
number of sales were made.
